

FORMER MANOX WORKS

Community Engagement Events

ENGIE, in partnership with **NPL Group**, are looking to redevelop the former Manox Works to provide a new residential neighbourhood.

The developer team and their appointed architects **Levitt Bernstein** are experienced in designing and delivering new homes and neighbourhoods, and are committed to working closely with local residents at Miles Platting, to create a family orientated community with high quality open space and new local shops.

You are invited to join us at our **upcoming public events**, where we want to listen to your ideas to help us shape this exciting development, and share some of our thinking. Both sessions will display the same information.

Everyone is welcome to drop in at any time, there is no need to register. Colleagues will be on hand to answer questions throughout the two events.

Thursday 10th October:
3.30 - 8pm

Saturday 12th October:
1 - 5pm

**Church of the Apostles, 49
Ridgway St, Miles Platting
M40 7FY**

**We look
forward to
seeing you !**
